13 Great Things to Do in New York

By Vulture Editors

Art

2. See Karla Knight

Geometric and symbolic.

Karla Knight is the too-little-known contemporary American visionary behind some of the most fragrant abstract drawings and paintings anywhere. Signs, insignia, runes, and other enigmatic hieroglyphs, often rendered in vibrant color, give us the artist's fecund mind unfurling in accumulating tapestries. —Jerry Saltz

Andrew Edlin Gallery, 212 Bowery, through April 11.
